PASTOR'S MESSAGE

What a Week

VBS 2015 has to rank as one of the better vacation bible school programs in over 20 years of ministry. VBS gave us the opportunity to do something very concrete in response to the great commission Jesus gave us in Matthew 28:16-20, "16 Then the eleven disciples went to Galilee, to the mountain where Jesus had told them to go. 17 When they saw him, they worshiped him; but some doubted. 18 Then Jesus came to them and said, 'All authority in heaven and on earth has been given to me. 19 Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, 20 and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age.'"

We were fortunate to have the opportunity to minister to 104 kids. It was no small feat. The program required the efforts of a lot of volunteers. It started with the planning and required volunteers to staff the various stations; opening and music, recreation, pre-school, snack, movie and bible lesson. It took helpers from age 13 to 84 to ensure the program ran smoothly. It was amazing how it all came together to witness to the Good News of Jesus Christ.

The first day the message was God has the power to provide. The Bible story that was chosen was when Elijah delivered the message to King Ahab that it would not rain and there would be a drought. Ahab being an evil king sought Elijah to punish him, but God told Elijah to hide and provided both water and food brought by ravens to feed Elijah. Elijah depended on God and God provided. The second day the message was God has the power to comfort. A story about Elijah was again chosen. Queen Jezebel sought Elijah to kill him. She had already killed many of the prophets of God. Elijah was scared and he ran to avoid capture by the queen. His journey took him to Mount Sinai where he experienced great winds, earthquake and fire. Here the lesson took some creative license and indicated Elijah was frightened by the wind, earthquake and fire. In this way the kids could relate to Elijah not only being afraid for his life at the hands of queen Jezebel, but when unexpected and frightening things can happen in life. The kids learned God comforted Elijah on the mountain and God can comfort us too.

Wednesday the kids learned God has the power to heal. The story was Naaman the Syrian who had leprosy. He was encouraged

to seek the prophet Elisha in Israel. By just washing in the Jordan seven times he was healed. God had the power to heal Naaman and has the power to heal us too. Thursday the kids learned God has the power to forgive. The story was about when Peter denied Jesus three times on the night Jesus was betrayed. If God can forgive Peter, he can forgive us too. We ended the week with the message that God has the power to love us forever.

What a wonderful witness the week was to our Lord.

Peace in Christ,
Mark

The 4th of July is a special day in our country, but not just for signing the declaration. Many interesting things happened on this day, such as: Three American presidents died on this day; John Adams, Thomas Jefferson, and James Monroe.

Calvin Coolidge was born on that day in 1872. West Point academy opened on that day in 1802. The great Stephen Foster was born on that day. The song "America" was sung on that day for the very first time, in Boston in 1832. Alaska and Hawaii became states on July 4th. Slavery in New York was abolished on this day in 1845.

And on July 4, 1776, that great document was written declaring that all mankind was created equal and given rights by our creator. In the 1321 page document God is mentioned four times. The document was written to separate us officially from the repression and authority from England. This taught us that we no longer wanted to come under England's justice. Fifty six men signed the Declaration. Two of them were only 20, 16 were in their 30's, 20 were in their 40's, 11 in their 50's, 6 in their 60's, and Ben Franklin, the oldest at 70.

Who were these men who laid their lives on the line? In total, each on an average had 6 children. Twenty four were lawyers, fourteen were farmers, four were doctors, nine were merchants, and one a preacher. These men were educated, and highly civilized. History shows that they all paid a price for their stance against England because they had a cause in which they believed.

Today, our nation has been on a negative path for

almost too long. An unnecessary number of our citizens have lost their jobs. Many children have been lost to the world, and our country has lost a large amount of its pride, prestige, and influence which we have always relied on in the past.

Historically we can see that God is the one who has blessed this nation. Even the poor enjoy cell phones, TV, heat and air conditioning, and a liberty and a lifestyle that only the wealthy enjoy around the world. As a nation we grow one third of the world's food while many countries have difficulty even feeding themselves. Yes, we are blessed.

Proverbs 28:5 says 'Evil men do not understand justice, but those who seek the Lord understand all things,' Godly leaders must walk with God. Only those who seek the Lord understand, because they seek to do that which is positive and correct, by defending those who cannot help themselves.

If we want to continue being blessed as a nation we have to be obedient, involved, active, which leads to being decisive.

So, how do we truly celebrate Independence Day? We do that by voting on issues that face our nation, states, and cities. By voting historically, we have been given freedoms and these freedoms are what made our country the greatest nation in the world.

Those who are called by his name can demonstrate humility, as our forefathers did. Prayer should always be a part of our lives, not just at meal time.

Happy 4th of July

NEW 2015 FUPC DIRECTORY

will be coming soon.

FUPC Session Elders have scheduled a 2015 FUPC Directory. Family photo pictures will be held in the FUPC social hall on September 29, September 30 and October 1, 2015. All church members will be called to schedule an appointment to have pictures taken.

VACATION BIBLE SCHOOL

The halls of FUPC were filled with joy and laughter as over 100 children learned about the love of Jesus Christ through singing and dancing, games, and crafts. The Mission Project chosen for this year's VBS was to help with a need right here in our own community. There are a number of local students that are in need of basic supplies and food. This year a total of \$635 was donated to benefit the "Sault Schools Transition Program For Homeless Students". Thanks to everyone who donated to this cause.

VACATION BIBLE SCHOOL

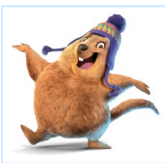

“EVEREST—CONQUERING CHALLENGES WITH GOD’S MIGHTY POWER!”

It was a fun week, with over 100 children attending.

We couldn’t have had such a successful week without many, many volunteers—of all ages! Thank you to all who helped throughout the week. And many thanks to everyone who donated time, talent, and money to provide the food, decorations, and supplies that we needed. We greatly appreciate the generosity of our church family.

This year, we embarked on an icy expedition where kids overcome obstacles with God’s awesome power.

The goal was to “Anchor kids in rock-solid Bible truths that will guide them through life’s challenges.”

Scrip Card Fundraiser

Our scrip program is well under way and we are fundraising without even trying! Scrip is super easy and does not cost you any extra money. Nor do you have to buy things you don’t need! We placed our first order in May and it was received within 6 days! Our order total was just about \$1200 and the church made \$36! How cool is that. Soup Kitchen and PW are on board and helped support the first order! So all of our church organizations can utilize it! We will be doing orders the 1st and the 15th of each month. You may bring your orders in to the office at any time and or place them with Brenda. Orders do need to be paid in advance.

What is scrip you might ask? Scrip is the opportunity to purchase gift cards for face value from our scrip program at the church. We deal with Great Lakes Scrip. So when we place our order, the cards are purchased at a “discount” and the church receives that in to their fundraising account. For example: If you purchase a GFS card for \$25, you still pay \$25, but the church pays \$24 and keeps the \$1 to put in the fund. Each business offers different percentages back and it can range from 2% to 15% for some. There are over 600 different places available to purchase from all the way from Amazon to Holiday Gas, Walmart to Walgreens, and even Dairy Queen! The best part is that it does not cost you or the church extra money. It just requires a little bit of pre planning on your part, but once you get in the habit, it is so easy!

If you have any questions, feel welcome to connect with Brenda, check the church website for a link, or read the information on the board in the hall by the office. Again, this is a super way to help raise money and not over ask our members!
