Pastor's Message

I was looking at the calendar today and was surprised to find out it is already fall. Unfortunately, that means winter is not far away. We all know what that means. In the meantime, fall is a very beautiful season in the UP. While driving in the UP it is hard not to be impressed by the beauty. The leaves on the trees are changing colors and it is just beautiful. Fall in the UP is indeed a beautiful season. If we take just a few minutes and look around, our world is filled with beauty.

It reminds me of the beginning of Psalm 24, "(Psalm 24:1-6 NIV) Of David. A psalm. The earth is the Lord's, and everything in it, the world, and all who live in it; {2} for he founded it upon the seas and established it upon the waters. {3} Who may ascend the hill of the LORD? Who may stand in his holy place? {4} He who has clean hands

and a pure heart, who does not lift up his soul to an idol or swear by what is false. {5} He will receive blessing from the LORD and vindication from God his Savior. {6} Such is the generation of those who seek him, who seek your face, O God of Jacob. Selah"

As David looked at the beauty of the world, it reminded him of God. It reminded him of the love and mercy of God. The beauty of the world moved David to seek God. The beauty of the world inspired David to want to follow God's commandants and laws. Beauty helped keep David's eyes open to the presence of God in his life. In this season of beauty, will we take a few moments to bear witness to the beauty of our world? If we do, how will it inspire us? The wise have always seen the beauty of the world as a reminder of God.

Peace in Christ, -Mark

Church Treasure Suzanne Stevenson

Why is the First United Presbyterian Church of Sault Sainte Marie, Michigan Still Strong?

Greetings. I am continuing with the articles about some of our "Church Treasures" or those members who have helped make our congregation vibrant and strong. Last month, Leitha Vollick

recommended that I interview Suzanne Stevenson.

96 years ago, on March 9, 1927, while President Coolidge and family were living in the Patterson mansion awaiting roof repairs and improvements to the White House, William and Orline Munroe became the proud parents of Suzanne Munroe in the quaint little town of Detroit, Michigan. During the Great Depression, Suzanne and her four brothers moved with their parents to DeTour Village; nestled on the western bank of the St. Mary's river. In 1944, at the age of 17 and with the world at war, Suzanne graduated from DeTour High School.

After the end of World War II, Suzanne met a handsome man from Lime Island named Donald Stevenson. Donald was employed as a Soo Locks electrician and Suzanne was an operator for Michigan Bell Telephone company. It was a beautiful spring day in DeTour, Michigan March 14, 1947, when Suzanne and Donald tied the knot. The officiant, Dr. Ver Stratt, drove down to DeTour from the Sault Ste. Marie Presbyterian Church. After the wedding, the couple drove to Sault Ste. Marie for wedding pictures and then right back down to DeTour for an in-house wedding reception.

Suzanne and Don lived in the Soo for a couple of years while Don built a home for them in Soo Township. The Stevensons were blessed with four daughters: Sharyn, Carol, Janet and Mary. Since then Suzanne and Don's family has grown to include 12 grandchildren, 12 great-grandchildren, and 5 great-great-grandchildren. The Stevenson's were involved in a vibrant PTA program with many activities for both students and adults. They worked hard to facilitate the building of the new Soo Township school.

In addition to raising 4 daughters, Suzanne taught 4-H (Head, Heart, Hands, and Health), sewing classes, Sunday School at the First United Presbyterian Church and in 1959 she started working as the secretary at Jefferson School. She

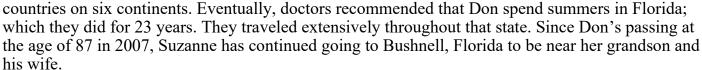

worked in this position for 23 years and then moved to Washington School and worked another 2 years there.

In 1960, the Stevenson family took up camping. They began by traveling around Lake Superior and Northern Michigan. In 1962, they went to Seattle, Washington for the World's Fair. Their youngest daughter, Mary, celebrated her 10th birthday in Anaheim, California at Disneyland Park. They enjoyed traveling all over the United States through the years. Anecdotally, (and humbly,) Suzanne told me that during one of their trips they helped rescue an injured driver from a burning truck in Portland, Oregon and were subsequently featured on the front page of the Portland newspaper for their heroics.

When Donald retired in 1973, the Stevensons spent the summer in Sitka, Alaska on Baranof Island. Don did volunteer electrical & maintenance work while Suzanne did volunteer administrative work. In the summer of 1974, they volunteered in Cedar City, Utah.

Through the years, Don did a lot of hunting and fishing and Suzanne loved traveling all over the world with their girls. She has been to 20 plus

Suzanne has been a tireless volunteer throughout her life. She has volunteered at Bay Cliff Health Camp in Marquette, Michigan along with her close friend Mary Jane Bernier. Bay Cliff Health Camp's mission is to "change the lives of people with disabilities in a therapeutic camp setting." For the last 12 years, when she is in the Soo, she volunteers at the hospital in the Material Management department., and, of course, she has been involved in our church for decades. She mused that she had loved being a Tea Maker in the church kitchen for the Christmas Bazaar until recently, when the kettles became too heavy for her.

When I arrived at Suzanne's apartment for our interview, it was pretty obvious that Suzanne loves flowers. Her terrace is a stunning array of floral beauty. In the years before the fence was erected around Soo Lock Park she was part of the group who planted flowers in the park. She also plants many flowers around the Ashmun Creek apartment complex where she resides. She was once nominated for the City Garden of the Year.

Suzanne's love for helping others is apparent. She is enthusiastic about the approaching season of

Christmas as well. May we all share her enthusiasm with each other and show our appreciation to her for her presence with us.

Next month, per Suzanne's recommendation, I will try to write about another congregational treasure: Lee Mason.

Thank you, Tom Corbin

A Raven, Chickadees, and Hummingbirds

Genesis 1:1 "In the beginning God created the heavens and the earth.

Genesis 1:21-22 "Then God said, "Let the water swarm with living creatures, and let the birds fly above the earth across the sky." So God created the large sea creatures and every living creature that moves and swarms in the water, according to their kinds. He also created every winged creature according to its kind. And God saw that it was good." My Dear Friends,

I am writing this piece on Labor Day. In this issue I will be writing about birds, not fish. Though I like to fish, I am not a fisherman. When Moses wrote Genesis, the Holy Spirit spoke first about fish, then the birds of the air in the same sentence and I do not want to separate them.

Every time I walk outside, I am seeing God's majestic creation. Even though the creation is corrupted by sin, I choose to see its beauty, glory, and magnificence. I enjoy watching the birds.

My neighbor, Verna Campbell, has a bird bath. Sitting outside, I observed a raven playing in the water. This was the first time I saw a raven on our properties. Ravens normally stay in the country. He (She) joyously washed himself, took a drink, and continued splashing. I thought of the raven Noah sent from the Ark, and of the raven that fed Elijah in the wilderness. I then worshipped God for his holy majesty and power. What a glory!

Sitting outside I began to wonder what would happen if I set up our Niger thistle seed feeder. So I got everything cleaned and hung it up in our maple tree in the back yard. Waiting a few days, I could not believe my eyes. Our feeder has been bombarded by Chickadees and Finches. There were five or six feeding at one time. What excitement! I thought of Jesus when he tells us how the Father takes care of the birds of the sky, and Jesus teaches us that the Father will take care of us. I am comforted by the knowledge the Psalmist speaks of, "My times are in your hands." (Psalms 31:15) or "The course of my life Is in your power." (CSB Psalm 31:15)

Doris asked me to consider placing a hummingbird feeder by our front steps. She purchased the feeder, prepared the sugar water, and then in one hour the hummingbirds were there. What magnificence! They are so tiny, with such beautiful feathers and colors, and constantly flying. Did you know that a hummingbird's heart rate in flight is on average 1200 beats per minute? From the big ones, to the smallest, we adore you Father. You commanded us to take care of your creation. We do our best, yet we often fail. But we wait for one more event: the new heavens and the earth. Come Lord Jesus!
